

Welcome Letter from Principal

On behalf of the faculty and staff of Newman International Academy at Cedar Hill (NICH), it is an honor for me to welcome all our returning and prospective parents and students to our website. We consider it a great privilege and opportunity to serve and cater to the academic needs of your child/children. Thank you for entrusting us with this great responsibility! NICH is one of the six campuses of the Newman International Academy at Arlington, a school dedicated to excellence in academics and co-curricular activities for the past six years.

It feels like yesterday when we had our first open house in the summer of 2015; inviting families of Cedar Hill and the neighboring cities to a unique educational experience for their loved ones. The response was overwhelming, thus NICH became a reality in the beautiful wooded picturesque 300 acres campus of Northwood University. We are humbled by the trust reposed in us and are glad to partner with all our parents who believe in the commitment we have to impact the lives of students with “Wisdom, Stature and Favor”.

Our first academic year 2015-2016, was a great blessing and we are thankful for the support we received from all our parents, students and the dedication of our teachers in laying the foundation for the Cedar Hill campus of Newman International. NICH currently serves students in grades Pre-K through 12 and has a student population of approximately 1,000 students, a great leap from over 320 students in our first year of operation at Cedar Hill. For the past two academic years the school has met the state accountability standards and has also been designated “Distinguished” in Science & Social Studies (2015-2016) and in Science for (2016-2017) this is a testament of our commitment to do the best for our students!!

We are passionate about providing the best learning environment and experience possible for each and every student, with the strong conviction and belief that all students deserve to be treated with dignity and will be successful if provided an opportunity to pursue their dreams in this challenging world!

We sincerely continue to look forward to the support from our parents and the community who have partnered with us in making Newman at Cedar Hill a truly enriching academic experience for all our students!

If you are seeking admission, we do invite you to visit us and it would be our honor to give you a tour of our beautiful campus. Our team of dedicated teachers and staff would like to join me in thanking you for partnering with Newman for your child’s educational needs!

Subhas Mathew
Principal
Newman International Academy at Cedar Hill
